

The Training Hall Advantage Program Guidelines

1. What is the Advantage Program?

The Advantage Program allows regular users of The Training Hall to rent the facility at a more reasonable rate. There are two programs: The Advantage Program for individual users and The Group Advantage Program for Clubs.

2. Fee Structure and Administration

How do I become a Subscriber?

To become a Subscriber, email me at frances@thetraininghall.com to let me know that you are interested and what month you would like to start. You must then, provide me with a series of post-dated cheques for the year prior to the beginning of that month.

Fees

The **Individual Subscription Fee** for a person who wishes to rent The Training Hall for personal training is **\$100** per month, payable on the first day of the month. The rental fee excludes using The Training Hall to conduct classes, to host seminars, or to hold matches or Trials, etc. Rentals for this purpose will be at the standard rate of **\$60** per hour.

A **Group Subscription Fee** for groups such as recognized Flyball Clubs, Breed Clubs, Obedience Clubs, etc. who wish to rent The Training Hall for practices on a regular basis during non-primetime hours is **\$105** times the number of hours in the weekly booking, payable on the first day of the month. The rental fee excludes using The Training Hall to conduct classes, to host seminars, or to hold matches or Trials, etc. Rentals for this purpose will be at the standard rate of **\$60** per hour.

Subscribers to the Advantage Program can cancel at any time. There is no signup fee to subscribe to the Program but there is a **re-signup fee** should a Subscriber cancel and later wish to re-subscribe to the Advantage Program. The **re-signup fee** for an individual is **\$60** and for a group with a weekly booking is **\$60** for each hour in the weekly booking. Should a Group Advantage Subscriber decide to reduce the booking by one hour and then, at a later time, increase the booking again by one hour, there will be a **re-signup fee** of **\$60** for that hour.

Payment Administration

A series of post-dated cheques is required for ease of administration and to prevent accidental cancellation from the Program. With prior agreement with The Training Hall, etransfers will be accepted according to the same rules as post-dated cheques.

To maintain Subscriber status, The Training Hall must have a post dated cheque **prior** to the beginning of each month and no exceptions can be made. Sorry! Should a Subscriber wish to cancel, the remaining cheques will be returned. Should any cheques come back NSF, there will be a **\$30** administration charge and subscription to the Advantage Program will assume to have been cancelled. Of course, one can join the Program again, but a re-signup fee would be required.

3. Subscriber Guidelines for Booking and Using The Training Hall

Individual Subscriber

Subscribers will book time via email (frances@thetraininghall.com) Subscribers are kept current on available time slots via a calendar found on www.thetraininghall.com.

Weekly Booking

A Subscriber may book up to 3 hours of time for personal training each week. In order to be fair to everyone, please block off what you reasonably think you will use every week. One Advantage of being a Subscriber is that if no one shows up when your time is up, you can stay until you want to leave but be sure to sign out. Remember however, if you have non-Subscribers in your group and he or she stays with you, the non-Subscriber will be required to pay for his or her additional rental time.

If you find that you will not be using the time that you have pre-booked, let me know by email so I can release the time on the Schedule. Others may wish to use that time.

The Training Hall reserves the right to cancel a booking at any time. Every effort will be made to reschedule the booking.

Guests of Individual Advantage Subscribers are welcome!

As an Advantage Subscriber, you are welcome to invite non-Subscribers to join you at a training session. You are, however, responsible for ensuring that your guest pays for his or her full training session based on the following rating structure. If a Subscriber is training with one or more non-Subscribers, the fee for each of the non-Subscriber is **\$15** per hour. The minimum booking unit is ½ hour. The start of a booking is assumed to be on the hour or half hour. For example, should a guest arrive at 9:15 and leave at 9:45, he or she will pay for a one-hour booking.

Impromptu Bookings

As is currently done, bookings to use The Training Hall can be made at any time subject to the availability of the time desired. It is best if you book at least a day ahead. The same rules apply as the weekly bookings. If no one shows up when your time is up, you can stay until you want to leave but be sure to sign out. Remember however, if you have non-Subscribers in your group and he or she stays with you, the non-Subscriber will be required to pay for his or her additional rental time.

Individual Subscriber Discounts

PAWS 4 THOUGHT students who are subscribers to the Advantage Program will receive a 10% (approx.) discount on classes. ‘Special Classes’ or Private Instruction does not apply.

Group Subscribers

By way of definition, a Group Subscriber is a recognized Club whose members use The Training Hall for practicing Flyball, Conformation, Obedience, etc. and must name a Group Representative as a contact for that Club. The members of the Group are not subscribers to the Advantage Program unless they become Individual Subscribers. The rate is a group rate and individuals are not charged.

Weekly Booking

A Group Subscriber may book a block of time (usually 2 hours) during non-prime time hours. Prime time hours are 9:00am to 10:00pm, Monday to Friday and 9:00 am to 5:00pm, Saturday and Sunday. The two-hour slot must be on the same day and at the same time each week. The Group Subscriber must adhere to the actual time booked. The number of Group Subscribers will be limited.

The Training Hall reserves the right to cancel a booking at any time. Generally, the cancelled booking will not be rescheduled.

4. Access to The Training Hall

Access to The Training Hall will be via a coded lock. A 'Sign-in/Sign-out' book will be located in the front office area. Subscribers who use The Training Hall are required to sign in and out. Please remember to include the names of your guests and the time he or she was there and remind them to put the payment in the Blue Box. For Group Subscriptions, the Group Representative must sign for the group.

5. Unusual Cases

These guidelines are just that. There may be special circumstances that have not been covered and I ask that you discuss them with me. I am sure we can come to a workable solution while keeping within the objectives of the Advantage Program.
